The Strand

The Club at The Strand, located in the heart of The Strand community off Immokalee Road, lies a Championship 27-hole golf course designed by renowned architect Gordon Lewis and opened in 1997. Featured are three 9-hole courses, The Sabal, Savannah and Preserve and each course offers its own distinct challenge.

The Savannah and Sabal courses played host to the LPGA Subaru of Naples Invitational from 1998-2000. World ranked players such as Annika Sorenstam, Karrie Webb and Laura Davies were challenged by the course and loved the layout.

Stevie Tomato's and the Gulfshore Holiday Hoopfest are extremely pleased to welcome all of our golfers to The Strand in 2015.

Gulfshore Holiday Hoopfest

The *Gulfshore Holiday Hoopfest* returns to Golden Gate High School for its third year. Defending GHH Champion First Baptist Academy (Naples, FL) will be back to defend their title, along with teams from Illinois, Tennessee and local teams Naples, Community School, Barron Collier, Immokalee, Gulf Coast, Bishop Verot, and host Golden Gate. GGHS Athletic Director Pete Seitz, GGHS Teacher Tim Estes, and a group of local community partners are the Hoopfest's directors. The 18 team tournament will take place December 26-30, 2015 and the games will be played at Golden Gate and Barron Collier.

Last years' Hoopfest proved to be a great four days of basketball, with local teams First Baptist Academy and Golden Gate in the finals, won by FBA in front of a packed house.

The goals of the Gulfshore Holiday Hoopfest are simple:

- *promote high school boys basketball in Collier County;*
- *create a competitive holiday tournament for all teams involved;*
- *establish a fund to award local scholarships to deserving players in the field;*
- *and raise funds for student-athletes at Golden Gate High School that can help pay for physicals, uniforms, and other expenses (student population is roughly 80% economically needy).*
